bluseven

Impressive design, exceptional build quality, high performance and high technology, perfect for integration within your kitchen units, BluSeven is a 7-way dispenser. 5 of the options are for filtered water: room temperature, cold still, cold slightly sparkling, cold sparkling and hot (95°C with safety button), while 2 are for non-filtered water - cold and hot

Unrivalled versatility

Alongside its numerous dispensing options, BluSeven offers great versatility: it can be connected as a high-tech tap to any undercounter cooler.

Touch screen

A flat, stylish control panel: stunning design and maximum practicality for easy cleaning and maximum hygiene. The touch-screen controls are all under glass and the absence of mechanical buttons makes for simple cleaning with a sponge!
